Dear Friends in **Christ**,

"And the earth shall be filled with the knowledge of the **Glory Of The Lord**".

I have just returned from the wild/remote bush of north-central Kenya where good friend Jay Newsome (Hope of The World Min.) and I carried the cross, light and **Kingdom of our Lord** to the Dorobo and Samburu people.

The trip had been originally planned to go exclusively to the Dorobo people (bush cousins of the Samburu), but due to severe drought, they (many) had migrated to other parts of central Kenya. Because of this, our main ministry was to the beautiful Samburu people in an area that I had never been to called, Rumuruti.

The area around Rumuruti had received some rain and there were wild animals and green bush. As we drove farther out each day (2-3 hrs one-way) we found drought, drought, drought! Right from the very first day, the **Lord** showed us (as always) that if we were faithful to preach "**His**" gospel, **He** will confirm **His Word** with signs following (**Mk 16:20**). Totally blind eyes opened as we prayed for them. Because of this, several came to believe in **Christ** after another invitation was given to "come to **Jesus**".

On one of the first days, we really experienced a chapter right out of the book of Acts. We had arrived at a small Boma (family village 15-20 people) and shared the Gospel and what it meant to be really born again. A few of these Samburu had gone to a bush medical dispensary where on Sundays a doctor would read out of the Bible and they would sing to **Jesus**. As we shared the full gospel, we gave the people an opportunity to become truly "born again". They (16) received **Christ** as their **Savior** and then we asked them "do you want the **Holy Ghost** to come upon you with power? They really had never heard of the **Holy Spirit** but they said yes! We layed hands on them and 13 started speaking in tongues. The power of **God** hit that place in a powerful way and even our interpreter fell to the ground crying & speaking in tongues. The power of the **Lord** was thick like a cloud on all of us and it was difficult to stand.

All of this was happening in the middle of the day deep in the Kenyan bush. Simply the **Lord & The Holy Spirit** responding to the hunger of **His** people. It was glorious. A true, real life example of Acts 19. **Praise God!**

Another day, we drove 3 hours one way and found some Dorobo people. We gathered about 20-25 people under a tree and began to sing about **Jesus** in their language. As we were singing--a young lady (with a small baby wrapped in a blanket on her back) fell face down (with no warning) to the ground and demons started coming out of her. Just the mere presence of us (full of the **Holy Ghost**) and songs to **Glorify Jesus** and---"bam"---evil could not stay! **Praise God!**

When light comes in---darkness (at some point) must go! **Praise God!**

I also want to show you the effect of your prayers. On one day, we had gone way deep (3 hours) one way into the bush. We ministered to the unreached and proceeded back to our base camp (3 hours). We got less than one mile from home and our land cruiser stopped running and died! We had been in the deep, deep bush with wild elephants, lion and who knows what else,

but we broke down one mile from camp!

I truly believe that your prayers and the grace of **God** protected us from a very dangerous situation. Thank you wonderful partners for your prayers. One day, one of the men (Masai) we work with said, "Brother, we are going so deep, there will be no way to follow up or disciple the new believers---so let's not go as deep". I told him "if **God** has a plan to save---he has a plan to keep them saved and the **Holy Spirit** will give them revelation until someone can get back and teach them". I have personally seen this happen many, many times! We simply cannot play **God** and only go to where it is easy, convenient, safe, or where all the questions are answered.

I am in sales---not management! My job is to carry the light into totally dark places and plant the light and cross of the **Kingdom of our Lord**. "All the gospel, to all the people, into all the world, to every creature"! My job is to punch holes of light into a total dark/demonic veil and take back the **Kingdom of our Lord**! One salvation at a time, one healing at a time, one deliverance at a time, one village at a time!

After hearing this, the good Masai brother said, yes---we must continue to go!

By the end of the trip---your prayers, finances and grace of the **Lord** accomplishing wonderful things (seen & not seen).

As I always tell you---this ministry has been called by **God** to go where none or few have been---out to the forgotten lost people who live in the wild/remote bush, jungle or mountain tops.
